Approved Grant Code: FR-02-2025 Hoopla \$3,515

I am writing to request a grant of \$3,515 from the Friends of the Library to help us keep up with the demand for digital resources through the Hoopla service. This funding will be instrumental in expanding our collection and continuing to make a broad range of e-books, audiobooks, music, and movies available to our patrons.

Hoopla offers a diverse and accessible digital library experience, and its resources are especially crucial in our effort to provide equitable access to information and entertainment for all community members. With the increasing demand for digital content and the growing need for accessible resources, our library is keen to continue to fund our Hoopla collection to better serve our patrons.

We believe this investment will significantly benefit our community by providing greater access to high-quality digital content, fostering lifelong learning, and supporting our mission to serve as a vital community resource.

Thank you for considering our request. We are grateful for the ongoing support of the Friends of the Library, and we look forward to the opportunity to discuss how this grant can help us further our shared goals.
