Policy

The teen room is intended for middle school and high school age teens during all times when school is not in session. Other individuals are welcome to visit the Teen Room briefly to retrieve books and other library materials or to request assistance from staff working in that space.

We are committed to providing an inviting, safe space for teenage patrons to engage in individual and group activities. The social nature and unique characteristics of this age group require a separate space designed for their needs. The teen room is not an appropriate space for adults to gather, or for tutoring.

The library reserves the right to utilize the teen room for scheduled teen programs or library events. Adults over the age of 18 not accompanying a teen may be asked to leave the Teen Area at any time.
